

Management Team (February 2025)

Legal Members (equivalent to shareholders in corporate world)

Notes:

1. All Trustees are also Legal Members
2. Legal Members are like shareholders in a profit-making company but they have no financial interest (save for a limited liability to contribute £10 in the event of the charity being wound up). They include the people who first came together to form the organisation, who entered into a 'contract' when constituting the governing document. They don't have any rights or responsibilities relating to the day-to-day running of TSYP (unless they are also a Trustee) but they are an important 'check and balance', so it is important they keep informed of what TSYP is doing.
